

### **REMARKS/ARGUMENTS**

The Applicant thanks the Examiner for the comments in the Office Action, which has been carefully considered. It is respectfully submitted that all issues raised are traversed, being hereinafter addressed with reference to the relevant headings appearing in the Detailed Action section of the Office Action.

The Applicant has amended the claim set. The Applicant respectfully submits that the amendments to the claim set are fully supported by the originally filed specification.

#### ***Specification***

The Examiner has objected to the title of the invention for not being descriptive. The Applicant has amended the title to "forming a manipulated image using printed medium having an image manipulation instruction". The Applicant respectfully submits that the new title is clearly indicative of the claimed method and system of the current application.

Reconsideration and withdrawal of the specification objection is respectfully requested.

### **CONCLUSION**

In view of the foregoing, it is respectfully submitted that the present application is in condition for allowance. Accordingly, the Applicant requests a Notice of Allowance of all the claims presently under examination.

Very respectfully,

Applicant/s:
